

# Professional Labeling Application Guide

# Building Management/Safety

## Industrial Labeling Solutions for:

- COVID-19 Safety Notices
- HVAC Controls
- Security Instructions
- Elevator Instructions
- Exits
- Fire Extinguisher Operation
- Floor Building Directories
- Emergency Evacuation Signs
- Boiler Room Equipment
- Fuse Boxes, Circuit Breakers
- Directional Signs
- Mailboxes
- Public Address System Control
- Out-of-Service Signs
- Recycle Bins
- First Aid Instruction
- Cleaning Instructions
- Door Labels/Window Lettering
- OSHA/ANSI Safety Signs
- Wayfinding/Directional Signs
- Asset ID/Asset Management

### RECOMMENDED PRINTERS

LW-PX900

LW-Z5000PX

### RECOMMENDED SUPPLIES

**Industrial Polyester Tape:**  
Offers largest variety of sizes and colors for 5S and other color-coding jobs.

**Silver Matte Tape:**  
Great for product labels, asset management, and barcoding.

**Bulk Roll Vinyl Tape:**  
Perfect for safety labeling, facility labeling, and pipemarking.

# Construction

## Industrial Labeling Solutions for:

- Tool ID
- Equipment ID
- Gang Boxes
- Mobile Office
- Hard Hats & PPE
- Emergency Phone Systems
- Safety Procedure
- Hazard Warnings
- Supply Locations
- Repair Procedures
- Vehicle Lettering
- Vehicle Labels
- Material Delivery Signs
- Asset Labeling
- Field Equipment

### RECOMMENDED PRINTERS

LW-PX700

LW-Z5010PX

### RECOMMENDED SUPPLIES

**Silver Matte Tape:**  
Great for tool crib organization, asset management, and barcoding.

**Bulk Roll Vinyl Tape:**  
Perfect for safety labeling.

# IT/Datacom

## Industrial Labeling Solutions for:

- Cable/Wire ID
- Self-Lam/Wire Wrap
- Patch Panels
- Faceplate
- Panel
- Tool/Equipment ID
- Wire Flags
- Wire Routing
- Data Closet Install
- Network Install

### RECOMMENDED PRINTERS

LW-PX700

LW-PX400

### RECOMMENDED SUPPLIES

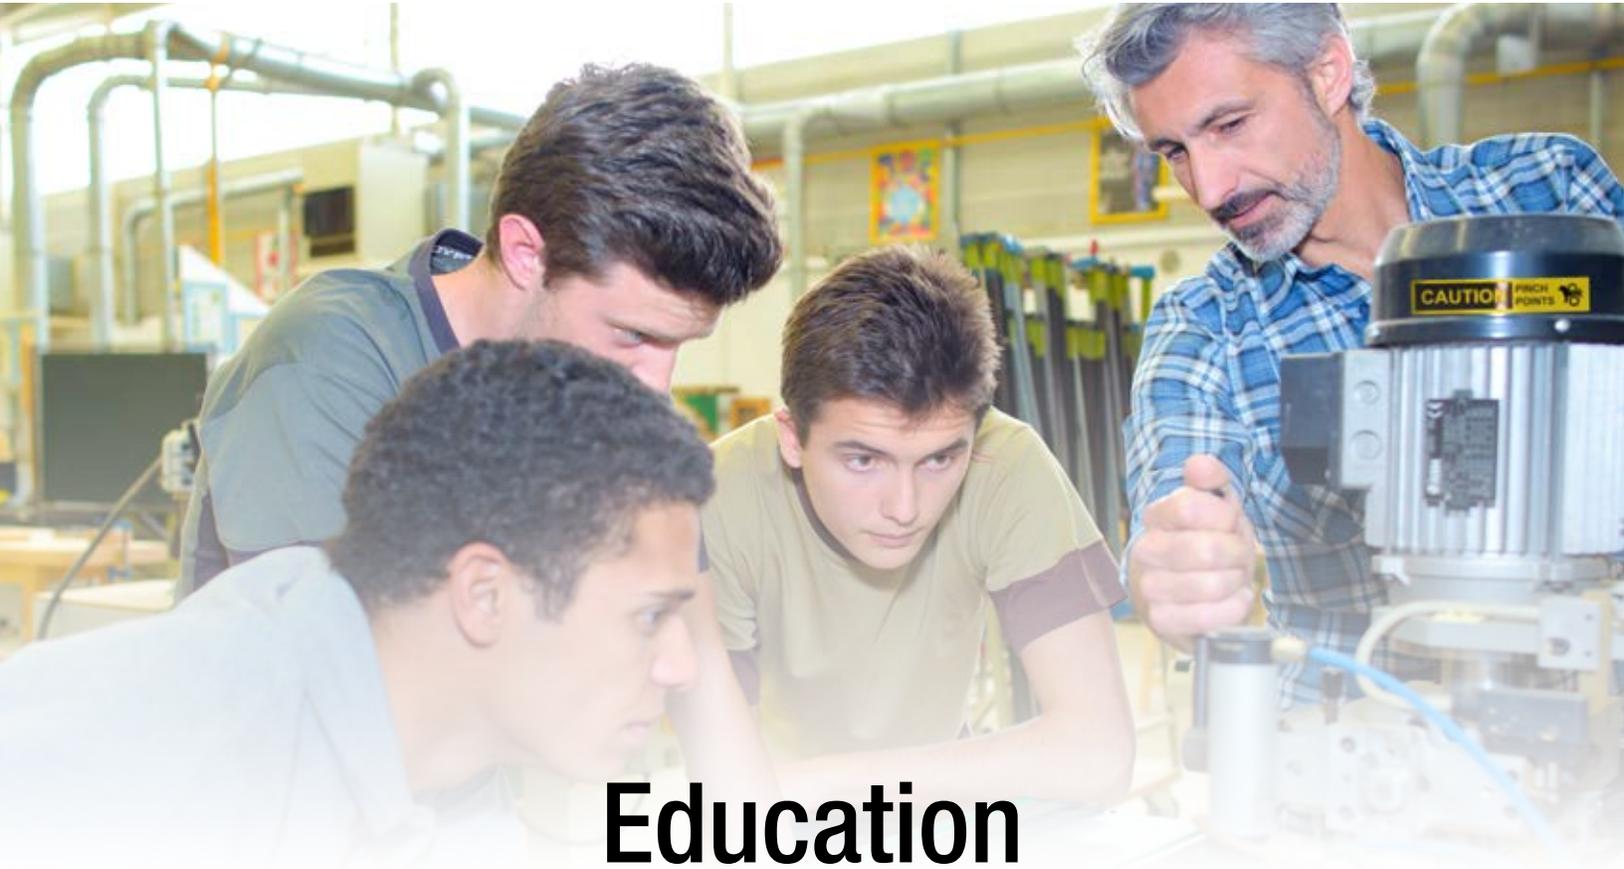

**Vinyl Self-Laminating Cable Wrap:**  
Easy, clean data closet install with no heat required. Improved material for better flexibility.

**Heat Shrink Tube:**  
Easy, permanent, professional cables. Color varieties, snug, flexible fit.

**Vinyl Tape:**  
Patch panel labeling with a material that can withstand temperature extremes.

# Education

## Industrial Labeling Solutions for:

- Band Instruments
- Dorm Room Signage
- Lab Equipment
- Athletic Equipment
- Activity Schedules
- Teacher/Student Desks
- Room Numbers
- Gym Lockers
- Library Shelves
- Library Books
- Bumper Stickers
- Band Uniforms
- Athletic Uniforms
- Staff/Student Mailboxes
- Literature Cubbies
- Curriculum Cubbies
- Inboxes/Outboxes
- Student Storage Areas
- Elementary Classrooms
- Visual Prompts
- Vending Machines
- Name Tags
- Lunch Room/Kitchen
- Teacher's Lounge
- Science Lab
- Gym Storage
- Tech Ed
- COVID-19 Signage

### RECOMMENDED PRINTERS

LW-PX350

LW-PX800

### RECOMMENDED SUPPLIES

**Industrial Polyester Tape:**  
Offers largest variety of sizes and colors for color-coding jobs.

**Extra Strength Adhesive:**  
Great for labels that won't budge -- peel resistant.

# Electrical

## Industrial Labeling Solutions for:

- Wire/Cable ID
- Interior/Exterior Electrical Panels
- Terminal Blocks
- Rating Plates
- Self-Laminating Wire Wraps
- Tool ID
- Equipment ID
- Heat Shrink Tubing

### RECOMMENDED PRINTERS

LW-PX700

LW-Z5010PX

### RECOMMENDED SUPPLIES

**Heat Shrink Tube:**  
Great solution for electrical wire marking. Snug, permanent fit, easily applied.

**Vinyl Self-Laminating Cable Wrap:**  
Flexible, sturdy alternative to shrink tube for clean, professional wire marking.

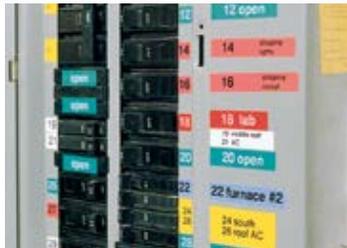

**Bulk Roll Shrink Tube:**  
Big projects are a breeze with bulk roll shrink tube, and cost less! Bulk up and save!

# Energy

## Industrial Labeling Solutions for:

- Fuel Lines
- Control Panels
- Conduits
- Safety Warnings
- Steam Lines
- Valves
- Piping/Tubing
- Operating Procedures
- Lockout Procedures
- Lean/5S Visual Workplace
- Training Visual Aids
- Safety (OSHA/ANSI)

### RECOMMENDED PRINTERS

LW-PX900

400iXL

### RECOMMENDED SUPPLIES

**Industrial Polyester Tape:**  
Great for color-coding, LOTO, safety labeling and asset management. Huge variety of colors and sizes.

**Vinyl Tape:**  
Flexible, extra sturdy tape that can withstand extremes in temperatures, and boasts a strong adhesive.

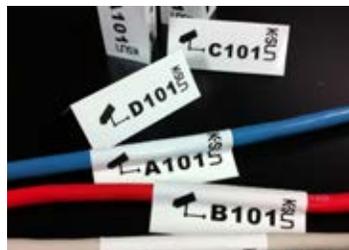

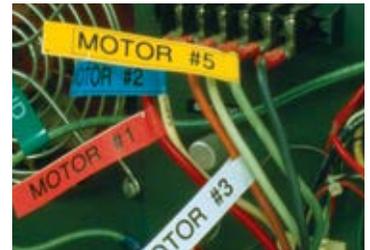

**K-Tape Wide Format:**  
For use in 400iXL. Create ANSI/OSHA compliant labels using PipeMarker V8 Software and Colored tape.

# Engineering

## Industrial Labeling Solutions for:

- Project Scheduling
- PERT Charts
- Gantt Charts
- Presentation Charts
- Immediate Drawings
- Training Flip Charts
- Schematics
- Prototype ID

### RECOMMENDED PRINTERS

LW-PX800

LW-Z5000PX

**Magnetic Tape:**  
Use with magnetic white boards for planning and scheduling. Great for inventory management.

**Industrial Polyester Tape:**  
Many colors and sizes available to keep any job organized and on-task.

**Bulk Roll Vinyl Tape:**  
Big projects are a breeze with bulk roll vinyl tape, and cost less! Bulk up and save!

# Healthcare

## Industrial Labeling Solutions for:

- Instruments
- Asset Tracking
- Specimen Labeling
- Instruction Labels
- Test Tubes
- Shelf Labels
- Directional Information
- Supplies/Chemicals
- Clean-Up Procedures
- Station Assignments
- Presentation Visuals
- Promotional Posters
- Material Management Bar Codes
- Medical Records
- Apparatus Labels
- Name Tags
- Pharmaceutical Supplies
- Medical/Hazardous Waste
- Wayfinding/Directional Signage
- In/Out Status Boards
- Emergency Signage
- Message Boards
- First Aid Information
- COVID-19 Related Signage

### RECOMMENDED PRINTERS

LW-PX800

### RECOMMENDED SUPPLIES

**Industrial Polyester Tape:**  
Great for inventory management and asset management. Wide variety of colors and sizes.

**Removeable Adhesive tape:**  
Perfect solution for marking specimens, vials, and other reusable equipment

# Maintenance

## Industrial Labeling Solutions for:

- Chemical Storage
- Cleaning Solvents
- Tool/Part Storage/ID
- Asset Management
- Repair Tags
- Service Procedures
- Schematics
- Tooling Information
- Supply Tags
- Test Procedures
- Precaution Signs
- Inspection Procedures
- Quality Control Regulations
- Assembly Instructions
- Meters
- Instruments
- Supply Cabinets & Bins
- Cleaning Instructions
- Job Scheduling
- Equipment ID
- Safety (OSHA/ANSI)
- Lean/5S Visual Workplace
- Calibration Labels
- Secondary Container ID

### RECOMMENDED PRINTERS

LW-PX700

LW-Z5010PX

### RECOMMENDED SUPPLIES

**Silver Matte Tape:**  
Great for inventory management, asset management and barcoding.

**Bulk Vinyl Tape:**  
Perfect for safety and facility labeling.

# Manufacturing

## Industrial Labeling Solutions for:

- Pipe Markers
- Machine Controls
- Production Tracking
- Equipment Labels
- Operating Instructions
- Quality Control Tags
- Assembly Line Classification
- Process Control Instructions
- Tooling Information
- Tool/Part Cribs
- Raw Materials
- Inspection Certificates
- Assembly Instructions
- Gear Labels
- Gauge ID
- Hoist Operating Instructions
- Cable Flagging
- Job Tracking
- Operating Guidelines
- Production Charts
- Scrap Bins
- Parts-in-Progress Tags
- Time Card Slots
- Production Control Boards
- Capacity Planning Boards
- Locker Labels

**Industrial Polyester Tape:**  
Offers largest variety of sizes and colors for OSHA/ANSI safety color standards.

**Bulk Roll Vinyl Tape:**  
Perfect for safety labeling, facility labeling, and pipemarking.

# Utilities

## Industrial Labeling Solutions for:

- Equipment Labels
- Vehicle ID
- Transformers
- Pole Labels
- Switches
- Cable Marking
- Mail Bins
- Quality Charts
- Tool Cribs
- Part Bins
- Rack Shelf Labels
- Wire Markings
- Color Coding
- Gas Meters
- Electrical Meters
- Control Panels
- Regulators
- Junction Boxes
- Jacks
- Fuses/Circuit Breakers
- Component ID
- Emergency Procedures
- Motor Control Centers
- Solar Panels
- Electrical Panels
- Instrumentation Panels
- Safety Signs (OSHA/ANSI)

### RECOMMENDED PRINTERS

LW-PX700

LW-Z5010PX

### RECOMMENDED SUPPLIES

**Vinyl Self-Laminating Cable Wrap:**  
Flexible, opaque material ensures a snug fit around cables and wires.

**Vinyl Tape:**  
Great for general ID labels, asset management, barcoding with a hefty material and a strong adhesive.

**Bulk Roll Shrink Tube:**  
Continuous or Die-Cut Shrink Tube in a bulk roll, so you can print large jobs and save.

# Warehouse/Inventory Management

## Industrial Labeling Solutions for:

- Vertical/Horizontal Racks & Shelves
- Asset ID/Management
- Parts Bins
- Modular Drawer Bins
- Drawer Pulls
- Cabinets & Carts
- Containers
- Lot Numbers
- Aisle Markers
- Storage Requirements
- Handling Procedures
- Pallet Labels
- Equipment Labels
- Drawer Dividers
- Flow Racks
- Color-Coded Control Systems
- Bar Codes
- Shipping Labels
- Directional/Wayfinding Signs
- Loading Dock
- Office Hours
- File Cabinets
- Packing Slip Lots
- Floor Labeling
- Lean/5S Visual Workplace

### RECOMMENDED PRINTERS
